

# Nicole Overman - Designer & Illustrator

My passion is illustrating and creating new experiences around website design and in the real world.

Design's aspect is significant to me but I also enjoy collaborating and working with other people to make a project exceed.

### Work Experience:

## Cherry Pop Designs (2014 - Present)

Co-Founder & Graphic Designer: I complete the development of projects from the conceptualization stage to the design stage. I create sketches, mockups, and illustrations that the client may want.

I gain experience from designing and customer service from working closely with clients.

# Community Service:

Girls' In Tech Conference (Spring, 2014)
Books for Homeless Childeren (Spring, 2013)
SkillsUSA: PDP Level #1 (Fall, 2013)
